

PHOTOS & VIDEOS

**Please note
that photos and videos will
be taken during the event.**

These will be used for public relations purposes (including on social media) and for the permanent documentation of the event (offline and online, and they may also be accessed from outside of the European Union). This processing is carried out in accordance with our legitimate interest in public relations and documentation as per Art. 6 (1) f) GDPR. You have the right to object to this processing in specific cases. If necessary, please inform the photographer.
